

MIG-19 OUTFIGHTS THE MIG-21 / 1120 HOURS, 14 DECEMBER 1971 - SHAKARGARH.

A flight of F-6s from No. 11 Squadron was on a search and destroy mission over the Shakargarh salient when Flight Lieutenant Aamer Ali Sharieff spotted four manoeuvring Mig-21s, much superior in performance to Aamer's F-6. Quickly sliding into the blind zone of the trailing Mig-21 Aamer launched his Sidewinder. The Mig-21 burst into flames and crashed.
